Overview

Driven computer science student with a passion for software development and a knack for solving complex problems. Eager to apply technical skills in real-world scenarios through internships or collaborative projects, while contributing meaningfully to innovative and growth-focused teams.

Technical Skills

Programming Languages: C, Java, Python, C++

Database: SQL Database(Mysql)

Web Technologies: HTML, CSS

Technical Abilities: Basic OS, DBMS

Internship

May 2025 – Jun 2025

- Completion of APSSDC Internship In AWS Cloud Computing Technology.

Projects

Face Recognition System

- Worked on developing and deploying a Face Recognition System using cloud computing services and object storage buckets for secure data management and scalability.

Certifications

- Earned Red Hat Certified System Administrator from Red Hat Academy.
- C - Cisco Networking Academy
- Python - Cisco Networking Academy
- Java Certified Foundations Associate - Oracle.
- Validate Html Forms with Javascript and HTML - Infosys Springboard.
- Certified in HTML and CSS from Certiport IT Pearson

Achievements

- Solved 250+ competitive programming problems on Codechef.
- Participated in “Code Reto” coding event organized by [Aditya University]– gained experience in rapid problem solving.

Education

Aditya College Of Engineering And Technology, CGPA: 8.27

2023-2027

Bachelor of Technology in Computer Science

Aditya Junior College, Percentage: 97.3

2021-2023

Board of Intermediate Education
